

BreakFree Privacy Policy

Last updated: February 21, 2024

Overview

We prioritize your privacy and are committed to safeguarding your personal information. Our app does not collect any personal data. All data entered into the BreakFree app remains securely stored on your device.

Crash reporting

To improve app performance and stability, BreakFree utilizes Firebase crash reporting and analytics tools. This enables us to identify and address crashes and stability issues promptly. Rest assured, the information collected is anonymous and is solely used to enhance the user experience.

Payment Data and Purchase History

For managing trial versions and paid subscriptions, BreakFree integrates Apple's StoreKit framework. Your payment data and purchase history are securely managed by Apple, ensuring the highest standards of data protection.

Your Consent

By using the BreakFree app, you consent to the terms outlined in this privacy policy.

Changes to this Privacy Policy

We may update our privacy policy periodically. We encourage you to review this page regularly to stay informed about any changes. All updates to the policy are effective immediately upon posting on this page.
